Warren,

I hope this note finds you and your family in good health. As for myself, we good. It's been a long time now, I was surprised to hear from you. I'm glad to hear that you are doing well and being a positive role model for your children. We (black community) needs that.

Anyway, as you know I'm still fighting. You know me, dare to struggle, dare to win, is my motto. At the moment I'm trying to locate the addresses of some of the staff who worked at Vienna so I can have an investigator talk to them and take a deposition that could be useful. So things are moving, they are just moving slowly. I will inform you of any progress other than that. There's not much more to say so I'm ending here. Take care.

Sincerely,
Larry Horne
